

District 19 Traveling Trophy Club Recognition Campaign

The Traveling Trophy is an attendance and participation campaign recognizing Clubs who contribute to the success of the District Conference. This campaign is held at the Fall and Spring Conferences.

Guidelines:

1. Competition is for the temporary ownership of the District 19 Traveling Trophy.
2. The Traveling Trophy recognizes clubs whose members attend the Fall or Spring District 19 Conferences.
3. Members whose names appear on the Club Attendance Roster (back side of form) must be present during a scheduled conference event.
4. The Club winning today will take the trophy to the Club then bring the trophy back to the next District Conference to defend its temporary ownership.
5. The winner of the Traveling Trophy is determined by the formula on the reverse side of this form. The formula is the Total Attendance Factor multiplied by the Distance Factor. The Club with the highest points earns the temporary ownership of the District 19 Traveling Trophy.

Points:

Officer/Member/Guest Attendance Factor:

- 2 points for each Club Officer present at the Conference who is listed on the Club Attendance Roster on the reverse side.
- 1 point for each additional Club Member present at the Conference who is listed on the Club Attendance Roster on the reverse side.
- ½ point for each Guest specifically invited by a Club Member to attend the Conference who is listed on the Club Attendance Roster on the reverse side.

Distance Factor:

Distance is the mileage from the Club Meeting location to the Conference location (one way).
