

District 19 Trainer Agreement

District 19 believes in our mission to build new clubs and support all clubs in achieving excellence. A solid, District approved education program supports all our clubs in achieving excellence. All District approved trainers will follow the guidelines below:

1. You have attended and pass the Train the Trainer program in District 19.
2. You will only deliver training from the approved materials from Toastmasters International or the materials developed and approved by the District Director, Program Quality Director and the Club Growth Director in District 19.
3. You will only teach education sessions that are in the training program developed by the Program Quality Director.
4. You will exude the core values from Toastmasters International: integrity, respect, service and excellence.
5. You will use the District 19 approved feedback form in all your training sessions and give the completed feedback forms to the Program Quality Director.
 - a. You are expected to have a composite feedback score of 80%. A score below 80%, will result in a discussion with the Program Quality Director, more training for you to develop better training skills and/or your removal from being a trainer in District 19.
6. You will attend Train the Trainer update sessions to continue building your training skills.
7. You will attend the bi-annual Program Quality Director training update sessions.
8. You are aware there is no mileage reimbursement for being a District 19 Trainer.

I, _____, have read the above District 19 Trainer Agreement details and agree to abide by the agreement.
