

## Updated DLC Report 4/19

The District Leadership Committee (nominations) completed its work and submitted the DLC/Nomination Committee Report on Saturday, March 14, 2020.

The members of the DLC were:

Mark Latta - Chair

Ike Rayford - Division W

Yvette Clapp - Division X

Amanda Martin - Division Y

Pam French - Division Z

After interviews and deliberation, we submitted the following names on our official DLC report:

### Official DLC candidates:

District Director - Betty Long

Program Quality Director (PDQ) - Open

Club Growth Director (CGD) - Kris Sheehan

Division W - Matthew Chavers

Division X - Saeko Von Behren

Division Y - Open

Division Z – Open

After the DLC Report was submitted, the following people notified the DLC Chair they would be pursuing a role as a floor candidate by the deadline of Saturday, April 18, 2020, a week prior to the District Council meeting as required by Toastmasters International:

### Additional Floor candidates:

PQD – Carrie Dostal

CGD – Kris Sheehan

Division Y – Gerry Holloway

Division Z – Mary Schulte

Kris Sheehan was on the initial nomination committee report in the role of CGD; however, the Toastmasters International requirement is for two Club Growth Directors to be on the report, so the Club Growth Director role on the report was determined to be invalid. This does not negate the nomination; it only means that the CGD minimum requirements were not met and that all candidates for CGD will need to run from the floor.

Finally, the DLC report was submitted on time and the results were communicated the District Council via e-mail by Toastmasters International timelines; however, the report was not posted on the District 19 website as required by TI. Thereby the District Leadership report is invalid and all candidates will need to run from the floor at the Saturday, April 25, 2020 meeting. Only the candidates who notified the DLC chair of their intent to run by April 18, and who met the qualifications of the position, will be

## Updated DLC Report 4/19

allowed to run in accordance with Toastmasters International procedure. All of these are contained within this updated report.

I want to thank all of the committee members for their hours of service, insight, and careful deliberation. In addition, I would like to thank each of the candidates for their patience, sense of humor, and willingness to serve during this process.

Please let me know if you have any questions.

Best regards,  
Mark L
